

CATALOGUE SPRING 2020

NEW EXERCISE DVDS FROM CHAIRDANCING

Three new exercise DVDs focusing on toning and strength training. These American DVDs are region free for viewing on any large screen TV. **Note**—all three employ the use of dumb bell weights of 0.5 kg and 1 kg, however the exercises can be done without weights or using everyday objects in the home such as cans of food. **Visit our website to view previews of each DVD.**

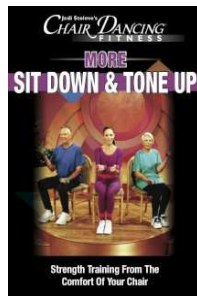

Sit Down & Tone Up Exercise DVD

A demonstrated seated strength training program that provides a 20 minute workout from the comfort of a chair. The workout is set to music and covers arm, shoulder and back muscles, finishing

with gentle stretching. The workout can accommodate a variety of ages and fitness levels and subtitles available for hearing impaired.

Total running time 25 minutes.

Code: DCDST **Price:** \$44.00

More Sit Down & Tone Up Exercise DVD

A followup to the first Sit Down & Tone Up DVD, this demonstrated seated strength training program provides a 20 minute workout from the comfort of a chair.

The workout uses different exercises to the first DVD. It is set to music and covers arm, shoulder and back muscles, finishing with gentle stretching. The workout can accommodate a variety of ages and fitness levels.

Total running time 32 minutes.

Code: DCDMT **Price:** \$44.00

Sit or Stand for Express Toning Exercise DVD

A demonstrated seated strength training program that provides total body toning routines for people who are short on time or want to ease into exercise. Features quick 5 minute targeted routines or alternatively the participant

can engage in the full 20 minutes of exercises for 3 times a week to achieve noticeable results. Accommodates a variety of ages and fitness levels and all exercises can be done standing.

Total running time 32 minutes

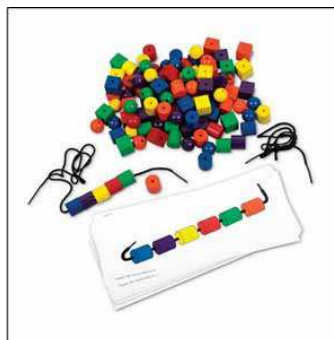

Code: DCDET **Price:** \$44.00

Aged Care Trivia DVDS

Put on a trivia dvd and set and forget on your large screen tv with your group in a lounge situation or control the questions as you go in a specific quiz group activity session. Each DVD Powerpoint presentation lasts 30 minutes, with 30—34 questions per disc. Each slide contains either a video clip (e.g. classic movie, old time song, world event), an audio clip (e.g. secret voice, musical group from the past, TV theme), an image with a relevant question including true or false and multiple choice types related to topics such as sport, geography, history and general knowledge.

Each video, audio and image will appear, preceded or followed by a relevant question (no verbal dialogue to distract) A 20 second visual countdown clock begins after each question and is followed by the onscreen answer.
