AQUAPAINTS

These colourful Aquapaints give a lovely balance of creative touch, sense of achievement and simple joy. **Just add water.** Simply brush the 'white' sheets of paper with water and just like 'magic' watch the beautiful pictures appear. Once finished, the painting will fade back to white. Can be used again and again.

The **Golf Target Game** is an exciting activity for people with dementia, which can be played individually or in groups. **Hot Tip!** Buy 3 x sets to make a 9 hole golf course for a competition in your large activity area or outdoor area. How to play; spread the target mats out on the floor and take turns to throw the bags as close to the hole as you can. The closer the bag lands to the hole the more points are awarded, the winner is the person with the most number of points at the end of the game.

Snakes and Ladders and Ludo are two popular board games enjoyed by millions globally. These adapted forms of the games have been designed to meet the needs of the person living with dementia. The strong colour contrasts and clear design of the board is more appropriate for people with visual and cognitive impairments. Enlarged counters are also easier to move for players with dexterity difficulties. A fantastic way to bring the family together.
